WASTEPAC
VERTICAL BALERS

WASTEPAC
VERTICAL BALERS

Waste Initiatives "WastePac" range of Vertical Balers are built to comprehensively meet the needs of the Australian market.Our balers are designed for a variety of industries and applications. The WastePac baler is well known for its simplicity and user friendliness.

All balers are hydraulically powered, resulting in maximum bale density, saving time, space and disposal costs.

Our range of over 15 balers, caters for clients producing small volumes of waste or tight space restrictions, through to high-volume waste producers, requiring maximum bale density and export-grade bale sizes.

BENEFITS
- Heavy duty industrial build
- Reduce waste costs up to 100%
- Low maintenance
- Safe & easy operation
- Suitable for processing multiple products
- 24 Months Warranty

APPLICATIONS
A wide variety of applications include:

- Cardboard (OCC)
- Plastic Film (LDPE)
- Bulk Bags (PP)
- Tyres
- Paper
- E-waste
- Aluminium Cans
- Milk Bottles (HDPE)
- Plastic Drums
- Light Gauge Metal

FEATURES THAT GUARANTEE ***HIGH PERFORMANCE***

INDUSTRIES

- Distribution Centres
- Warehouses
- Recyclers
- Land Fills & Transfer Stations
- Hospitality & Entertainment Venues
- Food & Beverage Manufacturing
- Retail & Shopping Centres
- Hospital & Aged Care

OPTIONAL EXTRAS

- Galvanised
- Auto Bale Ejector
- Sliding Door
- Bale Trolley
- 1 Phase or 3 Phase Power
- Can/Drum Crusher Insert (drums under 205L in size)

Bale Size
Ranging from 40kg up to 650kg.

User Friendly
Safe and easy to operate with an intuitive control panel.

Automatic Control Panel
Push button operation with automatic compaction cycles.

Retention Hooks
Prevent spring back of material and maximise the loading capacity for operators.

Automatic Bale Ejector
Simplifies removal of bale and ensures safety for all operators.

Bale Trolley
Allows bales to be easily removed from smaller balers and moved around.

Sliding Door
Ideal for applications with space restrictions.

Consumables
We carry a wide range of high quality consumables suitable for all balers.

Galvanised
Hot dipped galvanised finish available across all models.

SPECIFICATIONS

Model Item	Baler Dimension D/W/H (mm) *	Baler Weight	Pressing Force	Power Supply	Cycle Time (Secs)	Twine Size	Twine Roles per baler	Feed Aperture H/W (mm)	Bale Weight
Cardboard & Plastic Balers									
WP 40	644 x 718 x 1756	140Kg	up to 2T	15A - 1 Phase	20 Sec	9mm	2 Rolls	483 x 533	up to 40Kg
WP 60	720 x 1040 x 1996	230Kg	Up to 3.5T	15A - 1 Phase	24 Sec	9mm	2 Rolls	492 x 702	Up to 60Kg
WP 75	750 x 1040 x 2335	270Kg	Up to 3.5 T	15A - 1 Phase	24 Sec	9mm	2 Rolls	698 x 702	Up to 75Kg
WP 100	1014 x 1400 x 2399	585Kg	Up to 6T	15A - 1 Phase	34 Sec	9mm	2 Rolls	550 x 980	Up to 100Kg
WP 250	1185 x 1759 x 2900	985Kg	Up to 16T	15A - 1 Phase	34 Sec	16mm	2 Rolls	678 x 1194	Up to 250Kg
WP 300 LH	1100 x 1800 x 1986	1 140Kg	Up to 20T	15A - 1 Phase	72 Sec	16mm	2 Rolls	600 x 1243	Up to 300Kg
Ridged Product Balers (Cans, PET, HDPE, Plastic Drums, E-Waste & Tyres)									
WP 60 HD	1328 x 1267 x 2144	585Kg	Up to 13T	15A - 1 Phase	24 Sec	16mm	2 Rolls	400 x 589	Up to 60Kg
WP 450 HD	1196 x 1781 x 3343	1 300Kg	Up to 25T	32A - 3 Phase	40 Sec	16mm	2 Rolls	676 x 1194	Up to 450Kg
WP 550 HD	1200 x 2115 x 3570	1 938Kg	Up to 50T	32A - 3 Phase	50 Sec	16mm	2 Rolls	880 x 1501	Up to 550Kg
Multi Chamber Balers (Up to 6 chambers)									
WP 40 PET	851 x 2050 x 2342	562kg	Up to 8T	15A - 1 Phase	35 Sec	9mm	2 Rolls per chamber	503 x 700	Up to 40Kg
WP 75 MULTI	872 x 2050 x 2005	562kg	Up to 3.5T	15A - 1 Phase	35 Sec	9mm	2 Rolls per chamber	500 x 696	Up to 75Kg
WP 200 MULTI	1269 x 3260 x 2506	1 400Kg	Up to 16T	15A - 1 Phase	34 Sec	16mm	2 Rolls per chamber	798 x 1074	Up to 200Kg

**Height dimensions are total height including rams*

*Please note: Specifications are indicative only and may be subject to change without notice. Equipment is sold with an operation manual and risk assessments relating to the equipment as supplied. It is the responsibility of the purchaser to conduct their own assessments and determine the suitability of the equipment for the intended use. Other models and custom builds available on request.
