

The Eagle Sidewall Cutter is a premium tyre sidewall cutter with optional tread cutter, for tyres up to truck super single, offering exceptional functionality and safety features.

It is a reliable and efficient solution for tyre downsizing, ideal for tyre shops and yards that handle end-of-life (EOL) tyres.

#### Features

- Hydraulic bead adjustment
- Hardened alloy, serrated blade
- Portable and stationary configurations
- No manual lifting of tyres – simply roll onto the hydraulically powered tyre lift
- Average cycle time 11 seconds / truck tyres
- Average cycle time 7 seconds / car tyres

#### Options

- Electric, gas, or diesel power options
- Optional tread cutter attachment, to allow efficient downsizing of the tyre tread.
