

The Eagle Super Slicer Sidewall Cutter efficiently removes sidewalls and beads from car and truck tyres up to 44 inches in diameter.

An optional tread cutter reduces tread size. A protective shroud ensures safety while providing a clear view of the cutting action.

Features

- Hydraulic bead adjustment
- Hardened alloy, serrated blade
- Portable and stationary configurations
- No manual lifting of tyres – simply roll onto the hydraulically powered tyre lift
- Average cycle time 12 seconds / truck tyres
- Average cycle time 8 seconds / car tyres

Options

- Electric, gas, or diesel power options
- Optional tread cutter attachment, to allow efficient downsizing of the tyre tread.

Weight
966 Kg

Motor
15-23 HP

Waste
Car, 4x4
& Truck Tyres

PRODUCT SPECIFICATIONS
